

A Place for Me

G **C**
Honey, it's good to hear your voice
G **Em** **C**
Guess what, I'm on my way home
G **C**
There's something I think that you should know
G **Em** **C**
I'm not quite the man that I used to be
D **C** **G**
This war has left its mark, no I'll never be the same
D **C**
My thoughts of you help to ease the pain
G **D** **C**
Will you be my eyes? Will you describe the world to me?
G **D** **C**
Will you be my feet? Take me every where you go?
D **C**
But the one thing I really need to know
Em **C** **D** **G**
Will there always be a place in your heart for me?

G **C**
Honey, they finally let me write
G **Em** **C**
I don't know when I'm coming home
G **C**
They've got me locked up in this cell
G **Em** **C**
I won't tell you what they've done to me
D **C**
This war has left its mark, no I'll never be the same
D **C**
My thoughts of you help to ease the pain
G **D** **C**
As the years go by, don't you dare give up on me
G **D** **C**
No, I don't know if they'll ever let me go
D **C**
There is one thing I really need to know
Em **C** **D** **G**
Will there always be a place in your heart for me?

G **C**
 Ma'am it breaks my heart to let you know
G **Em** **C**
 Your husband, he's not coming home
G **C**
 With his last words he said he wanted you to know
G **Em** **C**
 That he loved you more than life itself
D **C**
 He said this war has left its mark, I know you'll never be the same
D **C**
 I know that time will help to ease the pain
G **D** **C**
 As our kids grow up will you tell them all about me?
G **D** **C**
 Will you tell them I died to keep them free?
D **C**
 The last thing I really want you to know
Em **C** **D** **G**
 I see Jesus, He's smiling, and He's reaching out to me
