

My Delight

C **F** **C**
I've got a rod in one hand your hand in the other

G
Walking on the levee with you by my side

C **F** **C**
The sun's going down, but that ain't a bother

G **F C**
'Cause the full-moon light is all we need

G **C** **F** **C**
I love to be with you late into the night

G **C** **F** **C**
I love to see you in the moonlight

G **F**
Later on when the chill comes I'll wrap you all up tight

G **C** **F** **G** **C**
I love to be with you, my love, my delight

C **F** **C**
I hear the crunch of old leaves and smell the fresh-cut alfalfa

G
As the warm evening breeze caresses my face

C **F** **C**
I've got your hand in my hand and your head on my shoulder

G **F C**
As we sit and watch the sunset fade into the night

C **F** **C**
I laid my rod on one side and you on the other

G
Gazing up at the stars burning bright

C **F** **C**
The fish ain't biting, but I got a nibble

G **F** **C**
That turned into a kiss I hope lasts all night

F **G C** **Am**
'Cause this Indian Summer night won't last forever

F **G** **C**
But my love for you, I promise it will

F **G C** **Am**
Ten years ago, we made our vows to each other

F **G** **C**
And I love you more now than I did then

F **G** **C** **Am**

Though the seasons may change, and sometimes it rains

F G C

My love for you remains
